Our Mission: to promote educational excellence by providing resources to support work which enriches the education, development and well-being of all Sunnyside Unified School District (SUSD) children. The Sunnyside Foundation board is dedicated to funding enriched educational opportunities.

Highlights:

2011 saw the Foundation Board continue to implement strategies to deal with the struggling economy:

- Foundation Office was moved within Sunnyside District to provide direct interaction with administrators, teachers and students. As a result, relationships continue to be strengthened as we find more and more opportunities to work together.
- Back to Basics successfully launched and implemented. Program was strengthened by \$7K in additional funding.
- Grant writing brought in-house

New Leadership:

Five new board members recruited in 2011:

- Valerie Diaz, Del Sol Casino Resort
- Danielle DuBois, Pima County Superior Court
- Guadalupe Guterrez, Pasqua Yaqui Tribe
- Danielle Martinez-Brady, Intuit
- Naomi Proaño, KOOL Smiles Family Dentistry

Events:

Funding Our Future, A Celebration of Excellence in Education was even more successful in its 2nd year, raising over six thousand dollars during the event in addition to more than six thousand dollars in sponsorships. Pima Federal Credit Union will continue as the major sponsor of the event in 2012. Dr. Peter Likins, the keynote speaker, provided very inspiring,

personal insight into the importance of Public Education. A new Spring event was successful and the Annual Sunnyside Foundation Student Art Contest will be continued in 2012 culminating with a Gallery Sale and Showing of the Art Contest winners during the Spring. Casino Del Sol Resorts will partner with the Sunnyside Foundation in creating a signature event benefitting Foundation programs; development will begin in 2012.
